TECHNICAL DATA SHEET Blixem Parts Cleaner

PRODUCT DESCRIPTION

Blixem Parts Cleaner makes assembly & repair work easier. Formulated with powerful degreasing properties, it easily removes oil, grease, and dirt quickly. It ensures that parts treated will be completely free of residue, dust & deposits. It is suitable for small automotive & industrial components, tools, steel, plastic, rubber, & PVC materials.

Blixem Parts Cleaner is not to be used for cleaning electrical equipment, delicate engine & machine parts, rolling element bearings, winder, steel cables or aircraft components.

OUTSTANDING PROPERTIES

- Cleans without hard scrubbing.
- Will not attack seals and rubbers.
- Economical
- Biodegradable
- No flash point thus safe to use.
- Environmentally friendly.

DIRECTIONS FOR USE

1. Remove parts as required.
2. Soak greasy parts in Blixem Parts Cleaner bucket.
3. Scrub parts clean inside the bucket.
4. Remove excess residue.
5. Rinse under tap and air dry.
6. Treat and protect according to manual.

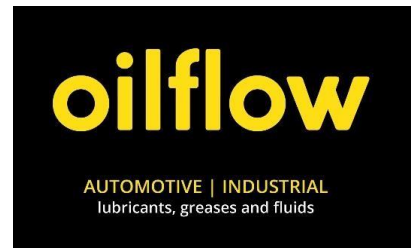

BENEFITS

- Makes assembly & repair work effortless.
- Effortlessly cleans parts & components.
- Leaves no residues.
- Prevents part wear & tear.
- Improves parts performance.
